

Pre-Operative Instructions for Sedation

- **NO** food or drinks (including water) for 8 hours prior to your surgery. Failure will cause your appointment to be rescheduled.
- Someone at least 18-years-old must be with you during your appointment to drive you home. They must stay for the entirety of the visit.
- If you are a minor, your parent/guardian must accompany you during the entirety of your appointment.
- Please remove contact lenses, jewelry, and piercings when possible.
- Please wear clothing that allows access to the elbow area for IV access.
- Please discuss your regularly prescribed medications with the doctor to determine if and how the medications should be taken
- If it is necessary to change your appointment, please notify the office as soon as possible.
